About RISE

According to CNBC, RISE is “the largest technology gathering in Asia”. Now in its fifth year, the event brings together the world’s leading founders, investors, multinationals and the world’s most promising startups to Hong Kong from July 8-11. They’ll be joined by journalists from major global media outlets and thousands of attendees for three days of unparalleled networking potential.

About Web Summit

Forbes says Web Summit is “the best tech conference on the planet”, Bloomberg calls it “Davos for geeks”, Politico “the Olympics of tech”, and the Guardian “Glastonbury for geeks”, and in the words of Inc Magazine “Web Summit is the largest technology conference in the world”.

Whatever Web Summit is, it wouldn’t be possible without an incredible team of over 200 employees based in Dublin, Lisbon, Toronto and Hong Kong; including world class engineers, data scientists, designers, producers, marketers, salespeople and more. They’ve disrupted an old industry by building incredible software and designing mind-blowing events - revolutionising how people and ideas come together to change the world.

As one of the world’s largest gatherings of entrepreneurs, investors multinationals and thought leaders - over 120,000 people from more than 170 countries join Web Summit in Lisbon, Collision in Toronto, RISE in Hong Kong.
